BIO & HIGHLIGHTS

The Seven 6 Band delivers high-energy country shows that keep crowds dancing from the first chord to the final encore. With a setlist blending 90s country hits, Red Dirt favorites, timeless classics, and rock anthems, they bring an interactive, feel-good vibe to every stage.

Since forming in 2021, they've performed nearly 200 shows, from packed festivals and private events to the iconic Fort Worth Stockyards and venues across DFW. Along the way, they've shared the stage with well-known country artists including Mike Ryan, Bart Crow, Josh Weathers, Huser Brothers Band, Chad Cooke Band, and Billie Jo Jones.

Whether it's a rowdy honky-tonk, a festival crowd, or an intimate private party, The Seven 6 Band turns every performance into a celebration, connecting with audiences and creating unforgettable memories.
